

Nominate your pool

Huggies® Little Swimmers are looking up and down the country for baby-friendly pools. And who better to ask than the experts themselves – mums and dads!

Whether it's the handy changing facilities, the baby swimming classes, or the friendly staff, we want to know what makes your local pool a great environment for enjoying the water with your little ones.

So if you have a pool you want to recommend simply fill out the form below and help mums, dads and babies across the country make a splash!
